FACIAL SKIN CARE

FACIALS • PEELINGS • SPECIAL TREATMENTS

Dermologica is a state-of-the-art skin care system utilizing the latest advances in ingredient technology, with age-old traditions to revive total body wellness and optimum skin health. All of our treatments include an analysis of your skin and are specifically designed to treat your areas of concern. You will be advised and guided to use a highly effective take home program.

Refresher Facial 30 min. . . . \$ 57.00
A great pick-me-up for the face, especially good in between chemical peels or dermabrasion. This facial includes cleansing of the skin, exfoliation or extractions (depending on the previous treatment), and a relaxing massage followed by a mask customized to the specific needs of your skin.

European Facial 50 min. . . . \$87.00
A cleansing and refining facial treatment which includes a cleansing of the skin, exfoliation, steam, extractions, a relaxing facial and neck massage followed by a nourishing mask. A relaxing hand massage with essential oils and heated mitts is one of the added benefits you can look forward to experiencing with this facial.

Multi Vitamin Power Treatment . . . 50 min. . . \$92.00
For optimum skin smoothing and retexturizing, this facial is designed for dehydrated or sun damaged skin. Vitamin C and E help to nourish and replenish moisture and stimulate the release of collagen into the skin to renew firmness and elasticity. Best results seen with a series of six (for \$420)

Micro Dermabrasion 60 min. . . \$120.00
This treatment is a manual form of skin resurfacing, stimulating the release of collagen into the skin without the suction of the machine (which breaks down elasticity), allowing deeper work in the sensitive areas around the eyes, mouth and neck. This

treatment includes a relaxing massage of the face neck and hands, followed by a mask and moisturizer to diffuse redness and hydrate the skin.

Gentleman's Facial 50 min. . . . \$82
For the man on the go! Includes cleansing of the skin, exfoliation, steam, extractions, and a relaxing face and neck massage followed by a customized mask.

Deep Pore Cleansing Facial 50 min. . . . \$92
A purifying treatment, which clears away surface blockages of the pores, removes impurities and reduces roughness of the skin's surface. Includes cleansing of the skin, exfoliation, a complete deep pore cleansing with steam and extractions, lymphatic drainage massage, followed by a mask with a relaxing face, neck and hand massage. This is the best facial for active acne.

Oxygen Facial 60 min. . . . \$120
A powerful delivery of oxygen to the skin, this facial promotes the release of collagen leaving the skin ultimately softer, smoother and healthier. Includes cleansing of the skin, exfoliation, extractions without the use of steam (a unique method for a heat sensitive skin), a relaxing massage of the face neck and hands followed by a rejuvenating mask. This facial is ideal prior to facial surgery or for the smoker.

Eye Contour Treatment 30 min. . . \$45.00
This treatment combines advanced technology with lymphatic drainage. This is a complete treatment for the eyes including exfoliation, massage and mask. You will notice a difference in two weeks, when using Multivitamin Power Firm cream at home. If added to a facial – \$25.00.
